

Invitación Estatal del Credo Español (State Spanish Creed Invitational)

Purpose

The FFA Creed outlines the organization's beliefs regarding the industry of agriculture, FFA membership and the value of citizenship and patriotism. The Creed is recited by FFA members as part of the requirements to earn the Greenhand FFA Degree. The purpose of the State Spanish Creed Speaking Invitational is to develop the public speaking abilities of ninth grade FFA members as well as to develop their self-confidence and contribute to their advancement in the FFA degree program.

Event Rules

The Invitación Estatal del Credo Español (State Spanish Creed Invitational) will be limited to twenty-five (25) individual contestants. There is no limit on the number of entries a chapter may enter in the 2024 inaugural event. The first twenty-five individual entries received will be accepted to participate in this inaugural event. The participants must be a dues paying FFA member and qualify in the 9th grade to participate in the State Invitational. The participants must compete at the next national invitational following the state qualifying.

- It is highly recommended that participants wear FFA Official Dress for this event.
- Three to five competent and impartial persons will be selected to judge the event. At least one judge should have an agricultural/FFA background. Any advisor who has a student competing in a speaking event may not serve as a judge for that respective speaking event.
- Any participant in possession of any electronic device is subject to disqualification.

Event Format

The event will include an oral presentation and answering critical thinking questions directly related to the Creed.

Each participant will be asked three questions per round with a five-minute total time limit. The questions used will change as the participant progresses to semifinal and final rounds of the event. The questions will be formulated annually by the Invitación Estatal del Credo Español (State Spanish Creed Invitational) committee and will avoid two-part questions. The questions will be asked in Spanish with the speaker responding in Spanish.

Participants will present the Creed in Spanish found on ffa.org.

The event will be a timed activity with four minutes for presentation. After four minutes, the participant will have one point deducted for every second over the set time.

The state invitational will be conducted in two rounds: preliminary (consisting of five to nine speakers per section), and finals (four participants). The top two speakers from the preliminary sections will advance to the final round.

No ranking will be given except for the final four. Feedback for all participants will be distributed following the close of state convention.

Event officials will randomly determine the speaking order. The room facilitator will introduce each participant by participant number and chapter in order of the drawing. No props are to be used. Applause shall be withheld until all participants have spoken.

Each participant must recite the Creed from memory in Spanish. Each participant shall begin the presentation by stating, “**El Credo de FFA por E.M. Tiffany**” as an introduction and close with “**Gracias.**” Additional introductory or concluding remarks will result in accuracy deductions as indicated on the scorecard.

Participants will be held in isolation until their presentation. Participants will not be allowed to have contact with any outside persons.

At the time of the event, the judges will be seated in a designated section of the room in which the event is held. They will score each participant on the delivery of the Creed and responses using the rubric provided.

Timekeepers will be designated to record the time used by each participant in delivering their speech. Content accuracy judges will record the number of recitation errors during delivery.

When participants have finished the presentation and answering of questions, each judge will total the score of each speaker. The timekeepers’ and accuracy judges’ records will be used in computing the final score for each participant. The judges’ score sheets will then be submitted to event officials to determine final rankings of participants.

Participants will be ranked in numerical order based on the final score to be determined by each judge without consultation. The judges’ rankings of each participant will then be added, and the winner will be the participant whose total ranking is the lowest. Other placings will be determined in the same manner (use the low-point score method of selection).

During preliminary rounds, recording of presentations is permitted by one person from each participant’s chapter for that participant only.

Tiebreakers

Ties will be broken based on the greatest number of low ranks. Participants’ low ranks will be counted, and the participant with the greatest number of low ranks will be declared the winner. If a tie still exists, then the committee chair will

rank the participants' responses to questions. The participant with the greatest number of low ranks from the response to questions will be declared the winner. If a tie still exists, then the participants' raw scores will be totaled. The participant with the greatest total of raw points will be declared the winner.
